CONTINUING EDUCATION

Statement of Accreditation:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Michigan State Medical Society and Society for Advanced Body Imaging. The Michigan State Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

AMA Credit Designation Statement: The Michigan State Medical Society designates this journal-based CME activity for a maximum of 28.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

COMMITTEES

INTERESTED IN JOINING A COMMITTEE?

Joining a SABI Committee is the best way to interact and collaborate with experts in radiology in an intimate setting. We need volunteers for the following Committees: Bylaws, Communications, Early Career, Education, Membership.

Learn more about Committees and how to join on our website.

THINGS TO DO IN THE AREA

Welcome to Dallas, the fourth largest metropolis in the US with 7.5 million people!
Dallas is the 5th most diverse city in the US.

Transportation

Automobiles are the primary means of transportation in the Dallas area. Uber/Lyft are readily available and reasonable in cost. There is the DART (Dallas Area Rapid Transit) system with a light rail but stops are relatively far between.

Fun Neighborhoods to Visit

Bishop Arts District

Shopping and Entertainment District with over 60 independent boutiques, restaurants, bars, coffee shops and art galleries

Deep Ellum

Neighborhood composed of entertainment venues and restaurants and eateries.

Lower Greenville

Major entertainment district with restaurants, boutique stores and live music venues.

Trinity Groves

Restaurant and retail development in West Dallas.

Downtown Dallas

Arts District, Symphony Hall, the Farmers' Market, West End

Oak Lawn

Dallas's LGBTQ+ neighborhood with bars, restaurants, and entertainment venues.

Things to Do

State Fair of Texas

September 29 - October 22, 2023
if you want the quintessential Texas experience with lots of fried food, rides and livestock. It's an annual event!

Klyde Warren Park

5.2 acre public park in Downtown Dallas with lots of food trucks!

White Rock Lake

A reservoir located in NE Dallas with a 9.1 mile path around to walk, run, and cycle.

Sporting Events

Dallas Cowboys Football, Dallas Mavericks Basketball, Texas Rangers Baseball, FC Dallas Soccer

THINGS TO DO IN THE AREA

Museums

Perot Museum of Nature and Science

Wednesday's Social Evening will be here! We will get the entire museum to ourselves to explore. 2201 N. Field St.

SABI MENTORSHIP

PARTICIPATE TODAY!

The objective of this program is to support the career growth and personal development of the SABI members. We seek to enrich their professional experience and optimize their contributions to the field of body imaging.

Program Options

COACHING

In this track radiologists at any career stage will learn about, develop, and nurture a coaching mindset which will help grow their emotional intelligence. The goal for the program is for the radiologist to learn how to use coaching tools to enhance interactions and performance both professionally and personally.

SUCCESS STRATEGIES

In this track, radiologists at any career stage will learn about and discuss a range of topics associated with career success and avoiding pitfalls, including identifying attributes of a good mentor/mentee, how to give and receive feedback, basic concepts of radiology productivity and the revenue cycle, basic negotiation skills, career pathways and tracks to leadership, maintaining work-life balance, and long-term career and financial planning.
